Dear Sponsor,

I hope you are well. I am fine. I have received 3 doses of Hepatitis-B vaccination and now I am in good health. With your kind support a Hepatitis-B vaccination programme was held at the project office. This vaccination is very helpful and it is essential for each and every person. Everyone should take this vaccination to prevent the fatal disease. I hope I will be able to keep myself healthy after taking this vaccination. We are grateful to you for your kindness and generosity. I thank you for the same. I send you my love and regards.

Your loving child,

RT 994372
